Blog-a-thon Day 4

Thanks to Kathy for her poetry today.

I See You

□ *julianna belts out a tune*
singing on guitar
□ □ *her heart*
I take pen and write
she sings, "find me, find me"
and I think
□ *Yes*
I see you
□ *as you, Mark, sitting in the*
□ □ *Hole*
the ebie jiebees claiming you once
□ □ *more*
the tears to the skin as you
□ *lash out, looking for*
someway to relieve the pain
□ *I See You*
julianna sings, "I seem hard but I shatter
□ *easily"*
like you Mark, you're soul on Fire
□ *fists to your head*
□ *kicking your leg*
pulling at your belly
□ *I See You*
biting your arm
kicking the dirt
looking around for something, anything to
ease the pain
finding a chair, railing it into the fence
□ *I See You*
I keep my distance knowing I'd be easy prey
I reassure you, tell you
□ *You Can Do it*

but you can't hear me
You're too caught
 too distraught
 but
 I See You
So I ask the question
 what can I do?
What can I do to ease your suffering?
 your pain
I See You Mark
 I See You
and I listen for the song
that will tell me the answer
I watch you
 watching me
and I See You
 I See You.....

The Dream

Somewhere
Someday
 I will meet you
I have seen you
dreamed of you
wanted you
I know you're there
 it's just a matter of time
until you come home to greet me
"hello dream"
I will say
so you've finally come to stay
I've been expecting you
Welcome!
