Blog-a-thon Day 29

Happy Birthday to me.

Having an awesome day here in "birthday-land". Decided to make it a day about ME as much as humanly possible for a person responsible for another person.

Sleepily, I stood at the sink this morning and nearby, was the arrangement of birthday cards I have received. The following reminder on a beautiful card was there to greet me and send me off on my way for the day....

"Life is about... celebrating the moments, believing in dreams, listening to your heart, and enjoying the journey."

That about says it all, doesn't it?

Happy Valentines Day. I hope you have someone wonderful to cuddle up with today... pets count too. :-)

PS When it comes to birthdays, just as in all areas of life, "It's All About Attitude". My beloved Judy (chosen mom figure in my life) always says she loves getting older. I want to have that same attitude when I grow up too.
