### Blog-a-thon Day 22

It's Sunday and I have decided to go on an electronic fast for today... except for this blog post.

This shirt is stained and too short but I just love the little guy on it so not sure I can part with it just yet.

The picture is correct on my computer but when my blog site did its magic, he insisted on coming up sideways. Guess the moral of the story is.... Life is good... sometimes you just need to tilt your head in a different way to see it. :-)

Enjoy the day!
